

JOB OPENING

LAGRANGE COUNTY HEALTH DEPARTMENT

Breastfeeding Expert, DBE/BFC

LaGrange County is accepting applications for Breastfeeding Expert at LaGrange County's Health Department. Incumbent is responsible for providing education, nutrition and breastfeeding counseling and access to health services for women, infants, and children enrolled in the WIC Program.

Qualified candidates must have a Baccalaureate Degree in Nutrition/Dietetics and/or credentials as Registered Nurse or Dietitian in the State of Indiana. Candidate should be an International Board-Certified Lactation Consultant or holds a CLS/CLC credential along with a minimum of 8 college courses from an accredited institution in health sciences. Candidates need to demonstrate good oral and written skills; be knowledgeable of state and federal WIC program requirements and breastfeeding guidelines; ability to effectively work unsupervised; familiarity with LaGrange County demographics; and have knowledge of health and social services available to County residents.

Position is an hourly paid position with a maximum approved hourly rate of \$28.00 per hour (21 hours per week M-Th). Benefits are not included.
