Year in Review

Another year has passed us by so quickly! We continue to be amazed & grateful for the continued support and cooperation from our county leadership, area partnerships, and our incredible local communities. Our combined efforts have given us, and offered those who visit, a park system that is truly enjoyed. Thank you!

Park Upkeep & Upgrades

Park Upkeep

Upkeep includes all of the things done on a regular basis throughout the year. Our full time maintenance staff consists of 4 full time and 1 part-time. They are responsible for a variety of tasks on our ten properties, which is comprised of 733+ acres, 27+ buildings/structures, 3 playgrounds, 3 public beaches, and 10+ miles of trails.

In the summer, we gain up to three more maintenance staff to primarily help with mowing and with the occasional large project.

Maintenance tasks include: mowing and landscape, building cleaning, restroom cleaning, trash removal, pier installation and removal, archery target installation and removal, playground safety checks, maple syrup production, trail of lights installation and removal, maple syrup days setup and tear-down, snow removal, storm damage cleanup, building boardwalks, laying limestone trails, natural area supervision, buildings/structures, trails, and amenities. It's a lot for 4 people with an ongoing list of things to do!

A WALK IN THE PARK

First Day Hike

Seventy-nine walkers participated in the First Day Hike held at Dallas Lake Park. Glow sticks marked the trail ending at the Lodge where cocoa and cookies were shared.

Every Park Every Trail Fitness Club

Walkers met once each month, May - November, at a different trail for this program. Rewards were shared at the last trail walk to those who walked each trail. Thirty-five participated in at least one walk; ten walked once on each trail; and, seven walked every month. Ten participants were awarded solid wood hiking sticks for walking each trail at least once. This program continues to grow each year. We look forward to next year!

FeNGke 5K Fun Run & Walk

Our third FeNGke 5K had 27 participants. The Friends of LaGrange County Parks were present to help check-in participants and serve after race refreshments.

Six prizes were awarded. Swag bags included an event T-shirt and fun treats.

Event Sponsors : Billman Propane, Schlemmer Hardware, & Bigby Coffee, Avilla

Turkey Trot 5K Fun Run & Walk

This year's Turkey Trot was organized and hosted by the Friends of LaGrange County Parks and was held Thanksgiving Day morning.

24 humans & 1 dog participated. Prizes included medals & turkey inspired stocking hats.

EVENT HIGHLIGHTS

Not So Spooky Trail

The Parks Department staff and the Friends of LaGrange County Parks hosted this year's Not so Spooky Trail event. Estimated attendance was 498, a bit over 3% growth from 483 attending in 2024. The Dekalb County Horsemen were present to share horse-drawn wagon rides along the not so spooky wooded trail. The Friends of LaGrange County Parks and community volunteers shared maple steamers & cider, manned craft and activity tables, and played the witch in the woods. The Franke family donated their time to make and serve kettle corn and play the werewolf in the woods. The bonfire was going for roasting hot dogs and marshmallows.

Event Sponsors: Lake City Bank, Bowen Health, Schlemmer Hardware, & Forest River

Trail of Lights

We were able to expand our displays and lights this year with generous donations from our community. Sponsor donations raised \$29,250 plus material donations that put us well over \$30,000 in total value! We were open nine nights this year, Thursdays, Fridays, & Saturdays, for the first three weekends of December. We were challenged by bitter cold, wind, and snow/ice this year, which affected installation, ongoing repairs, and attendance.

We estimate a total of 2100 visitors attended this year. Enjoyment fee was by donation - we collected nearly \$6,000 to be allocated to improvements.

We are grateful to the many local volunteer groups who manned the cookie and cocoa stations inside!

We look forward to sharing next Christmas with you!

PROGRAMS & EVENTS REPORT

Programs in our Parks

A program hosted by others and/or a program presented by the Nature Interpreter in one of our county parks. Public programs may include recurring gatherings at a park such as Quilt Class, Breakfast with the Birds, and nature walks/hikes. School programs include number of students who visit one of our parks for an educational field trip. Maple Syrup field trips are included.

Visiting Programs

Visiting programs are programs presented by the Nature Interpreter at a different location.

When the Nature Interpreter visits a school and visits several classrooms repeating the same program several times -- this is counted as one program.

Visiting programs also include attending community gatherings to share information about our county parks, or attending organization meetings to offer requested presentations.

Park Events

An event that has an extended schedule beyond regular "business" hours. A special event many have food, activities, stations, presentations, or a specific purpose. These events require additional staff and/or volunteers, as well as a larger budget. For some special events, it is difficult to record an exact number of patrons, so a "best guess" must suffice. The Parks Dept. prefers to be conservative when estimating.

Budget Notes

Indiana Department of Health grant funds were received to cover registration fees, supplies, and activity expenses for summer swim lessons this year.

Large capital purchases included an equipment trailer, UTV, and toolbox.

Revenue Notes

Archery trail collections decreased by 3%. This is our only resource to purchase new targets.

Maple Wood Nature Center receipts had a slight 1% increase from last year.

Reservation collections remained about the same. The Greenwood Pavilion at Delt Church Park leads usage with 66 days rented. South River Pavilion as rented 53 days, & the Pine Knob Clubhouse was rented 41 days.

Park Truck

We inherited an old truck from the Building Dept. This truck will be used for maintenance and assistant park ranger duties.
