Except where a specific version or edition is given, reference to another section of this ordinance or to another law, document, fund, program, commission, or public office, shall extend and apply to the same, as may be subsequently amended, elected, revised, recodified, renamed, or renumbered from time to time.

2. Reference in this ordinance to a public servant, department, commission, committee, board, or fund, either generally or by title, without reference to another jurisdiction, shall be construed as though it were preceded or followed, as appropriate, by the words "(of the) LaGrange County (Indiana)."

3. Should a provision of this ordinance require an act to be done which, by law, an agent or deputy as well may do as the principal, the requirement is satisfied by the performance of the act by an authorized agent or deputy.

B. Severability. No part of this ordinance shall be interpreted to conflict with any local, state, or federal laws, and all reasonable efforts should be made to harmonize same. Should any section or part thereof of this ordinance be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the ordinance as a whole, or any other portion thereof other than that portion so declared to be invalid, and for this purpose the provisions of this ordinance are hereby declared to be severable.

C. Continuance.

1. The express or implied repeal or amendment by this ordinance of any other ordinance or part of any other ordinance does not affect any rights or liabilities accrued, penalties incurred, or procedures begun prior to the effective date of this ordinance. 2. To the extent the provisions contained in this ordinance substantially restate the provisions of a prior ordinance or resolution, such provisions shall not be deemed to be a new enactment of the old ordinances, but rather shall be deemed to be the continuation of the original provisions.

D. Revival Prohibited. The express or implied repeal or amendment by this ordinance of any other ordinance or part of any other ordinance shall not be construed to revive any former ordinance, section, clause, or provision.
